### Winemaker's Comments

#### MAX RESERVA CABERNET SAUVIGNON 2003

Made to showcase the distinctive characteristics of fruit grown in the Aconcagua Valley. The 2003 vintage was characterized by elegant fruit. Black and red cherry aromas are backed by notes of tobacco, cedar, and cinnamon.

#### MAX RESERVA SHIRAZ 2003

It has a very deep violet colour that verges on black. The nose presents big, full aromas of red and black fruits, with integrated vanilla and toast from the barrel ageing.

#### MAX RESERVA CHARDONNAY 2005

The character is complex and elegant due to the natural fermentation of a percentage of the lots. On the nose typical notes of French barrel fermentation like white chocolate and vanilla come forward and mingle gently with aromas of tropical fruit characteristics.
